

## Alcona County Recreation

Welcome!

Alcona County is in the process of updating their 5-year Recreation Plan. In order to qualify for DNR grant funding, communities must have a DNR-approved Recreation Plan. Input from the public is an essential part of planning for recreation, so we need your input regarding recreational facilities in the County! Please take the time to fill out this survey and let your voice be heard!

Thank you for participating in our survey. Your feedback is very important.
